## Free dental clinic is Saturday at CCRI

LINCOLN – The Rhode Island Oral Health Foundation will hold its fifth annual Mission of Mercy free dental clinic this Saturday, June 4, and Sunday, June 5, at the Community College of Rhode Island’s Flanagan Campus in Lincoln.

Doors open at 6 a.m. each day; patients are seen on a first-come, first-served basis until the clinic reaches capacity. Services include cleanings, fluoride treatments, dental sealants, X-rays, oral health education, fillings, tooth extractions, some root canal treatments and minor denture repairs.

The clinic provides free care to Rhode Islanders who do not have access to dental care. For more information, visit [www.rimom.org](http://www.rimom.org).
